

Building and Scaling your Work-Based Learning Program

Live Session | Monday July 22 | MOACTE Summer Conference

Used by districts across the state for ICAP, A+ tracking, WBL and more, SchoolLinks is a robust and modern college and career readiness platform.

We simplify the WBL process by allowing you to:

- Join a robust network of local and national industry partners to expand your community partnership initiatives
- Manage and track applications, hours, evaluations, and forms for all work-based learning opportunities
- Encourage Industry Partner participation through free accounts, event scheduling, and engagement analytics

Session Presenter:

Jamie Gorski
Sales Executive, SchoolLinks
