Oasis Hotel & Convention Center -Coco and Maui  
Discover how the Pathways to the Skilled Technical Sciences program can help your district expand CTE opportunities while supporting students from special populations. This session will introduce a flexible, DESE-developed curriculum that provides a seamless transition into the Manufacturing, Transportation & Logistics, and Architecture & Construction career clusters. Learn how this program can boost your CTE enrollment total without requiring follow-up reporting for program completers. Additionally, explore potential funding sources—including 50/50 grants, Enhancement Grants, and Limited Access Grants—to support program sustainability and growth. Learn about curriculum options, including Foundations of Technical Careers and Connections to Technical Careers—available at no cost from DESE. Join us to see how your school can play a pivotal role in preparing all students for success in skilled trades and technical careers.
